THE HEART OF THE WILD PATH TOUR

The Wild Path Tour is the most intense and transformative experience of our travel offering.

It's not just a vacation: it's time, listening, immersion.

It's the chance to truly experience Mozambique within a community, within a pristine bay, within a rhythm unlike anything else.

For seven nights you will live in the heart of the WildPath Project, in Moronga:

an authentic village, suspended between the ocean, mangroves and bush, where life still follows the rhythms of nature.

You won't be a passing visitor: you'll be part of a daily routine of community activities, spirituality, shared work, and small gestures that build bridges between cultures.

You'll walk among medicinal plants with those who hold traditional knowledge, listen to stories around the fire, participate in vegetable gardens, school projects, and activities with women and young people.

You'll get to know the bay in depth: the tides, the seahorse habitats, the fishermen's traditions, the spirituality that permeates every gesture.

It is a total immersion in a true African reality, made up of people, energy, resilience, and hospitality.

The journey then opens up to the wildest nature of Mozambique:

Two days in Zinave National Park, one of the least touristy parks in the country, where human presence gives way to the rhythm of wildlife and stories of conservation.

An intimate, natural, no-frills safari, where you listen to Africa instead of just looking at it.

Your experience is completed with four nights in Vilanculos, surrounded by the sea, relaxation, and colors of the Bazaruto Archipelago.

A sea that recharges, light, luminous.

Space to breathe, to find balance, to let everything you experienced in Moronga settle.

The Wild Path Tour is a journey for those who feel the desire to go deeper.

For those who don't just want to see a country, but understand it.

For those who love authentic connection, culture, stories, and human encounters.

For those who want to return home different from how they left, with a part of Mozambique sewn into them.

A journey that is not consumed: it is lived.

An experience that is not forgotten: it integrates.

A journey that takes you to the heart of the most real Africa, and at the same time to the center of yourself.

You don't come here to observe.

Come and listen.

And, inevitably, to change.

WE ARE WAITING FOR YOU.

BE WILD  BE DIFFERENT.
