THE HEART OF THE WILD SPECIAL TOUR

The Wild Special Tour is your first step into an authentic, gentle, and surprising Africa. A balanced journey that takes you to discover Mozambique at a harmonious pace: a true taste of community, wild nature, crystal-clear sea, and simple life in Vilanculos. An experience designed for those who want to approach this country gradually, deeply, and safely. Your adventure begins in Moronga, where you'll have your first encounter with the WildPath Project: a community of fishermen, women, and children who will welcome you with ease. Here, you'll discover the more human side of Mozambique: traditions, spirituality, medicinal plants, stories around the fire, and the slow-paced life between mangroves and the ocean. A first step towards understanding what it truly means to live in this part of Africa. From here, the journey opens towards Zinave National Park, one of the wildest and least-visited areas of the country. Two days of authentic safari, immersed in nature, among elephants, giraffes, birds, and landscapes that change color every hour of the day. A special experience that immerses you in true conservation, far from the crowded tourist circuits. The journey ends in Vilanculos, amidst sea, white sand, traditional boats, and moments of relaxation. Here you can explore the islands of the Bazaruto Archipelago, snorkel in turquoise waters, stroll the beach at sunset, and enjoy easy, carefree days. It's the softest part of the trip, designed to give you time, space, and respite. The Wild Special Tour is the ideal program for those who want to discover Mozambique without sacrificing anything: a touch of community, a touch of spirituality, a touch of wilderness, a touch of the sea. A perfect balance of emotion and simplicity, adventure and comfort, discovery and relaxation. A journey that doesn't overwhelm, but opens. That doesn't shock, but ignites. That doesn't change everything, but leaves something within you that lingers. The first step into the true Africa, one that reaches straight to the heart.

WE ARE WAITING FOR YOU.

BE WILD BE DIFFERENT.
